# BON APPÉTIT

What would an exceptional hotel be without exceptional food? Experience a "little bit of France" at award-winning Brasserie Jo—Boston's first and only authentic French brasserie, adjacent to The Colonnade. From light to hearty fare, renowned Chef Jean Joho's extensive menu has something to suit everyone's tastes, drawing in a crowd for weekend brunch as well as the eclectic after-theater clientele. Each dish is produced with an eye for authenticity, and each day features a regular Plat du Jour. It's casual French comfort food—earthy and uncomplicated.

Salon Privé, the private dining room in Brasserie Jo, is an elegant choice for your next social gathering or business dinner. Appointed in the same rich cherry wood and marble as the main dining room, the walls are decorated with vintage French posters, giving it an exuberant air and festive atmosphere. The room can easily be configured to suit your particular needs—accommodating a meeting for up to 60, a sit-down for 80 or a reception for 100.

For those looking for something a little different, our many amenities and attention to detail are what truly make us unique. We are proud to boast Boston's only Roof Top Pool, perfect for summer outings and seasonal events.

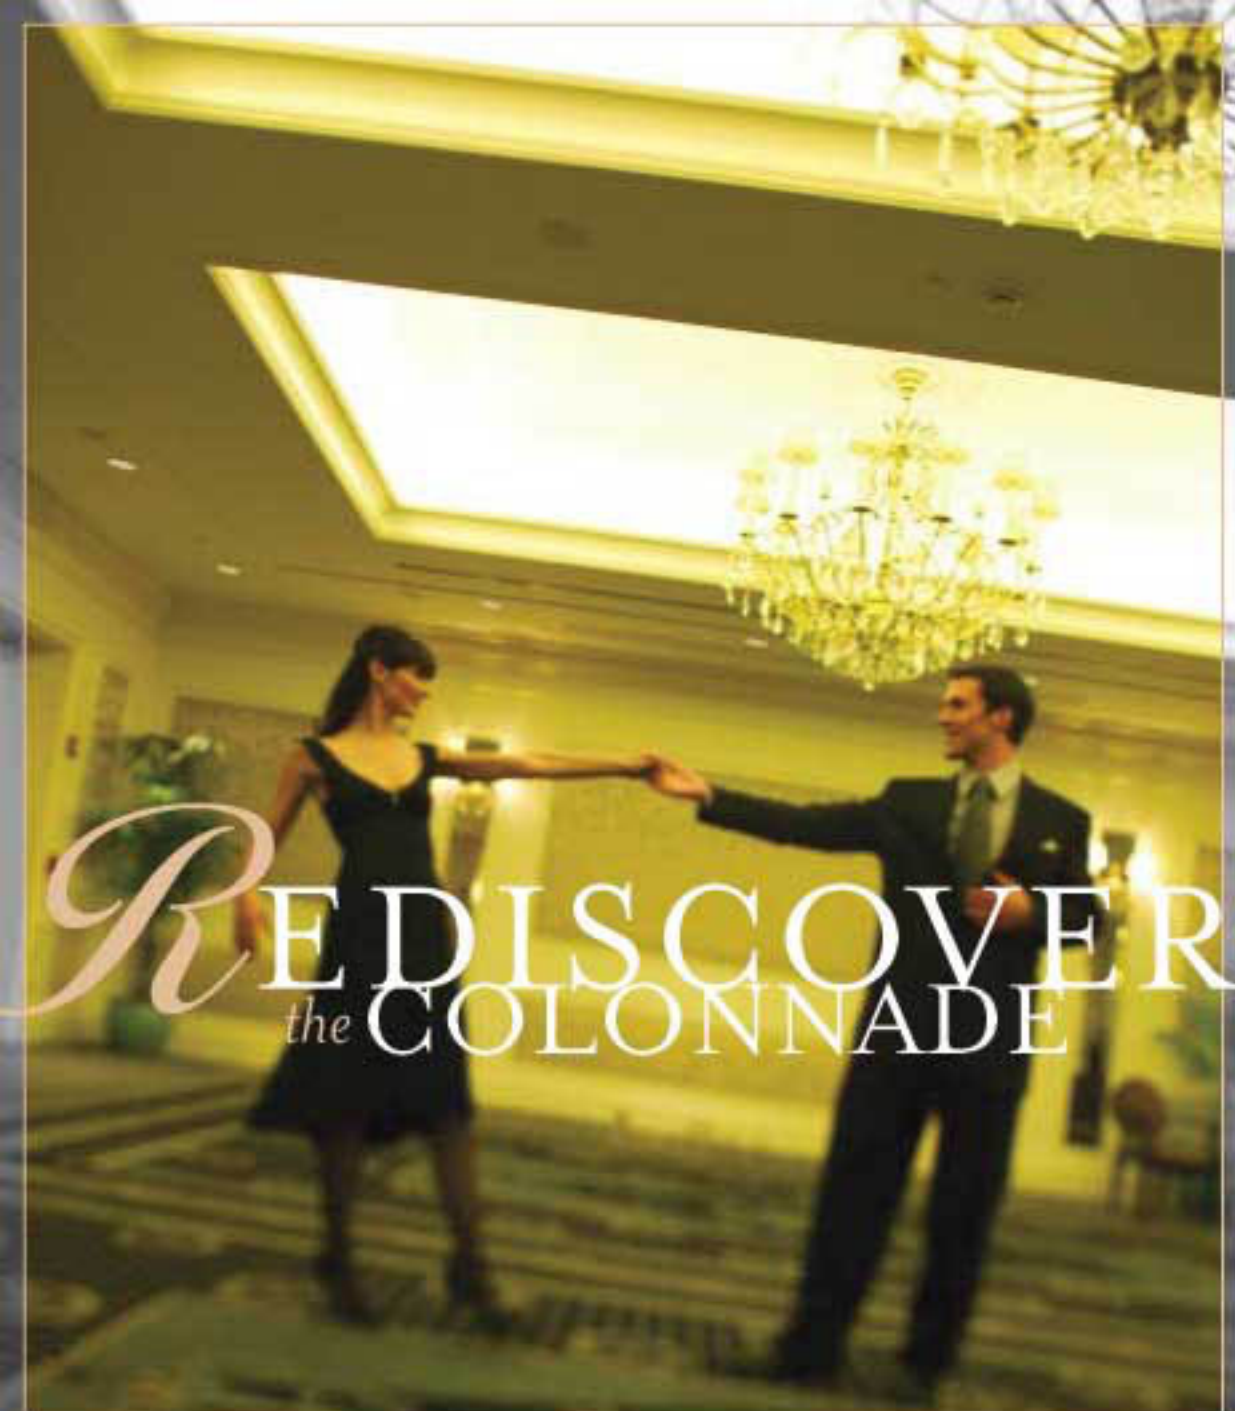

Our new Fitness Center, with Precor and Icarian machines, features the most advanced cardio and strength training equipment to help keep you in shape on the road.

Other amenities and services that set us apart include cutting edge technology, like our 24-hour business center and wireless and high-speed Internet throughout the hotel, full-service concierge, laundry service, luxury suites and indoor parking.
